* Prices shown above include one-color printing. For more than one color, you should consider an extra 12 cents per bottle and for each additional color.

* The prices shown above don't include the film costs, 50€. This cost is per colour, but only necessary for any new design. On a new order it will only be repeated the design and you won't need to pay this value again.

* We offer all design developments and shipping costs.

* VAT has to be added to the values above.
